Artist Projects

Land Acts

Stefhan Caddick, Rebecca Chesney, Morag Colquhoun, Ella Gibbs, Owen Griffiths, Oriol Myrddin Gallery, Carmarthen

27th July - 12th October An exhibition delivered in collaboration with Peak

Land Acts presents the work of five artists, collectively exploring the power of land and contemporary, rural experience. The featured artists work closely with individuals and communities through their artistic practices to consider the connection and potential between land use and local economies, class, climate change, education and food production.

This exhibition and programme of talks and activities reflects on some of these projects and opens new conversations about the role of the artist in helping us all to reflect on our relationship to land and how we can reimagine it for the future.

Land Acts

Stefhan Caddick, Rebecca Chesney, Morag Colquhoun, Ella Gibbs, Owen Griffiths, Oriol Myrddin Gallery, Caerfyrddin/Carmarthen

27ain Gorffennaf - 12ed Hydref Arddangosfa wedi ei wireddu trwy gyd-weiithio gyda Peak

Mae Land Acts yn cyflwyno gwaith pump o artistiaid, sydd, ar y cyd, yn archwilio grym y tir a'r profiad cyfoes o fyw yng nghefn gwlad. Mae'r artistiaid sy'n rhan o'r cynllun yn gweithio'n agos gydag unigolion a chymunedau a thrwy eu dulliau arferol o weithio'n artistig yn ystyried y cyswllt a'r potensial rhwng defnydd o'r tir a'r economi leol, dosbarth, newid hinsawdd, addysg a chynhyrchu bwyd.

Mae'r arddangosfa hon a'r rhaglen o sgysiau a gweithgarwch yn myfyrio ar rai o'r prosiectau hyn ac yn cychwyn sgysiau newydd ynghylch ein perthynas â'r tir a sut y medwn ei ail-ddychmygu at y dyfodol.

Young People Projects

Caban

Caban is a digital arts training project for young women aged 16-25. We meet at Abergavenny Community Centre every Wednesday, 4-6pm

The project is made up of workshops, mini-residences, studio visits and location shoots exploring 'sense of place' - past, present and future. Sessions explore mediums including photography, filmmaking, animation, graphic design and editing- all whilst working alongside artists and creative industry professionals.

It's a great opportunity to learn new skills, meet new people and get to know our community better. No prior digital arts experience is necessary, it's a safe space to drop-in and experiment with ideas.

Equipment provided. Sessions are FREE.

If you're interested in joining, please contact Lauren Heckler, Project Co-Ordinator: lauren@peak.cymru / 01873 811579 Abergavenny Community Centre, Park Street, NP7 5YB

This funding was awarded by the Community Foundation in Wales as part of the Tampon Tax Community Fund
